

Keynote Presentation:

Lunchmeat & Leadership

by Mary Bichelmeyer Lucas

Author of the critically acclaimed book
Lunchmeat & Life Lessons: Sharing a Butcher's Wisdom

Mary's presentation serves up prime cut advice from the smartest man she ever knew: Her father, the Butcher.

During her presentation, Mary distills 25 years of the Butcher's wit and wisdom – common sense values and inspiration that she practiced in her own career, and advice that she directly attributes to her own personal and professional success.

With more than 29 years of experience in both healthcare and commercial staffing employment and workforce management, Mary's father's advice has helped her coach many professionals to reach goals, enhance working relationships and improve team performance.

After this presentation, participants will:

- Be inspired to make a positive impact on all those they encounter every day.
- Identify specific actions they can take to help them proactively deal with challenging people and situations.
- Learn how to Inspire Loyalty in both their personal and professional lives.
